

Directions to the office/rehearsal space

The Stage Left Theatre office and rehearsal space is at 1541 W Belmont, which is actually a little tricky to find the first time.

If you are on the South side of Belmont heading west, just past a rehabilitation center at 1525 W Belmont, you will find an alley. Turn left into the alley and follow the bend around to the left, pass the dumpsters and on your right you will see a door labeled 1541. That's us!

Another way to get there is to find the parking lot just south of Belmont on Greenview. Walk to the northwest corner of the parking lot and you will see 1541 in the distance just past the entrance to the building garage.
